

The City of Edmonds

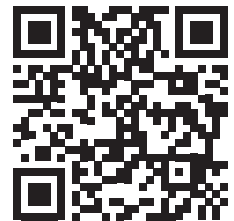

# Climate Action Plan

The City of Edmonds is updating its Climate Action Plan (CAP) to reduce emissions and prepare for climate risks!

This year is an ongoing opportunity for the Edmonds community to help shape the CAP update and proposed strategies.

**We want to hear from you!** Share with us what strategies you most support and any new ideas you have for building a more resilient city and region.

## Join us for our first community workshop!

**March 25, 2021**

**6:00 - 8:00 PM**

**Zoom Meeting ID: 856 5719 7159**

**Call-in Number: +1 (253) 215-8782**

**Passcode: 100007**
